Dear Riverside Families,

I hope this letter finds you and your families well and healthy. For those of you who do not know, my name is Leah Donley and I am the new principal at Riverside Academy. I have supported Riverside Academy's academic program since 2019 in the roles of Director and Regional Director of Academics and look forward to working more closely with you, the staff, and scholars this school year! As principal, my goal is to ensure that we are fulfilling the mission and vision of the school. Every scholar can, and will, learn!

The summer is quickly moving along as we prepare for a successful 2022-2023 school year! We are so excited to welcome back our returning families and to see the new families that are joining us as partners in education. We have so many fun things planned in addition to the construction going on in the building.

Below is a schedule of important summer events happening at our school over the next couple of months. I am ecstatic to see each one of you at one or more of these events!

Our summer office hours are from 9:00-3:00 to answer any questions you may have. In addition, you can visit our Facebook page or website for additional information.

Yours in education,

Leah Donley
